Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed before the mailing date of the first Office Action on the merits, and therefore no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

Applicant encloses herewith copies of four Communications from the Japanese Patent Office in counterpart Application Nos. 2003-008158, 2003-008162, 2003-067840, and 2003-070082, respectively, citing such documents and indicating the degree of relevance found by the Japanese Patent Office.

It is noted that JP 8-170248 and WO/2002/068497 were cited in the International Search Report of the International Application No. PCT/JP03/16755, which was previously cited in the Information Disclosure Statement of July 14, 2005, and thus is not being listed on the Form PTO/SB/08 A&B submitted herewith.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant submits the following explanations:

1. An English language abstract of JP 6-108357 submitted herewith constitutes a concise statement of relevance of JP 6-108357.
2. An English language abstract of JP 2000-314038 submitted herewith constitutes a concise statement of relevance of JP 2000-314038.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
